Why ebebek?

Key factors driving future growth

Key factors to drive future growth

Expanding distribution in Türkiye through newly added mini-stores alongside traditional stores

Marked growth in e-commerce operations

Stronger focus on gross profit and EBITDA margin growth

Repeating the success gained in Türkiye in the newly entered UK and Iraq market

**Our 2030 Target:
1 Billion USD Revenue**

Recent Developments

Profit Distribution

- Total gross cash dividend: TRY 200 mn (TRY 55.5 mn from 2025 net distributable profit + TRY 144.5 mn from retained earnings)
- Payment schedule: Two equal instalments — 1st instalment on 15 October 2026, 2nd instalment on 15 December 2026

Extraordinary General Assembly

- 1 September 2026 Tuesday 11:00 am ebebek Headquarters
- Agenda items: Amendment to the Articles of Association; appointment and remuneration of a Board member; appointment of the independent auditor for TSRS-compliant sustainability reporting; and informing shareholders about the amendment to the remuneration policy.

Mothercare

- Mothercare Launch | Market entry in Türkiye under a 10-year exclusive licensing agreement
- Product Assortment & Profitability | Contribution to portfolio depth and margin potential
- Premium Segment & Gifting Destination | Strengthened market positioning

New Mega Store Concept

Standart Stores

- 900-1200 m²
- Significantly broader product assortment compared to mini stores
- One-stop destination for all parent and baby needs
- Located in easily accessible locations
- Parking availability is an important criterion

Mega Stores

- Revenue potential of at least 2x the average revenue of standard stores in Türkiye
- Located in metropolitan cities
- 2000-4000 m²
- High commercial potential locations
- 2 stores as of period-end: Bostancı and Gaziantep PrimeMall

Mini Stores

- Locations where space for large-format stores is not available
- Attractive locations in terms of foot traffic and commercial potential
- 230-250 m²
- 29 stores as of period-end

2026 Expectations

2026 ebebek Türkiye units sold expectation as of year-end has been increased

from 117 million units

to 122 million unit

2026 consolidated revenue expectation has been increased

from 37 billion TL

to 41 billion TL

ebebek Türkiye's store count estimate for year end

330

This document contains statements regarding the performance of EBEBEK Mağazacılık Anonim Şirketi (the "Company"). The aforementioned statements have been prepared based on currently available data. Whether the Company's future performance materializes as expected is subject to uncertainties and/or unforeseeable events that may significantly affect the Company's performance, including but not limited to changes in macroeconomic and geopolitical conditions, potential increases in tax rates, unexpected climate events, and natural disasters. The aforementioned uncertainties and/or unforeseeable events, which are not limited to those stated herein, may cause the Company's future performance to differ materially from the assessments set forth in this document. The Company cautions the recipients of this document that the assessments and information contained herein are based on currently available data and do not constitute a commitment, guarantee, or promise regarding the Company's future performance and financial results. The Company, the members of the Company's Board of Directors, the Company's executives, and/or the Company's employees shall not be held liable for any damages that may arise from the use of the content in this document. In this investor presentation regarding the second quarter of 2026 financial results, financial data that has been subjected to a limited review and adjusted for the effects of inflation has been used, in accordance with the relevant accounting principles set forth in Turkish Accounting Standard 29 "Financial Reporting in Hyperinflationary Economies" (TAS 29), reflecting the effects of inflation, pursuant to Capital Markets Board Resolution No. 81/1820 dated December 28, 2023.

This statement has been translated into English for informative purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.
