Dividend Rate Table Explanations

Our company's audited consolidated financial statements, prepared in accordance with the Communiqué on the Principles Regarding Financial Reporting in the Capital Market of the Capital Markets Board and based on Turkish Accounting Standards, reflect a net period profit of TRY 55,498,376 TL while legal records prepared in accordance with the provisions of the Tax Procedure Law show a net period profit of 800,703,915 TL.

Taking into consideration the Turkish Commercial Code, capital market legislation, Article 14 of our company's articles of association regarding the determination and distribution of profit, and our company's profit distribution policy, and based on the audited consolidated financial statements, since the legal limits have been reached, no allocation of general legal reserve has been deemed necessary. Accordingly, the net distributable period profit for the year 2025 has been calculated as 55,498,376 TL.

Considering also the donations made within the year 2025 amounting to 44,048,928 TL, it has been resolved to propose to the shareholders at the 2025 ordinary general assembly the distribution of the gross amount of 200,000,000 TL, which is the sum of 55,498,376 TL, corresponding to 100% of the net distributable profit, and 144,501,624 TL brought forward from previous years, as a cash dividend in two equal installments; with the first installment of the dividend to be paid to the shareholders on October 15, 2026, and the second installment on December 15, 2026; and the allocation of 19,200,000 TL as general legal reserve; all in conjunction with the "2024 Profit Distribution Table" attached to this resolution.
