

EBEBEK MAĞAZACILIK ANONİM ŞİRKETİ WASTE POLICY

EBEBEK Mağazacılık A.Ş. operates as a leading company in its sector, together with its barents, employees, suppliers, and partners, with a commitment to minimizing waste generation.

- Our primary principle is to ensure full compliance with all applicable laws and regulations regarding waste disposal.
- Our goal is to ensure the use of products in consumption and packaging that minimize environmental impact, prioritizing recyclable and/or reusable materials whenever possible.
- We are committed to obtaining the Basic Level Zero Waste Certificate, issued by the Ministry of Environment, Urbanization and Climate Change of the Republic of Türkiye, at all locations where Zero Waste certification is mandatory.
- As ebebek, we avoid collaboration with organizations that may cause the generation of mercury-containing waste.
- Our goal is to leverage new technologies in order to promote the use of more durable and sustainable products.
- Our objective is to promote the separate collection of waste at its source, its temporary storage, and its recycling in a safe and sustainable manner.
- We are committed to ensuring that our products and services do not cause negative impacts on the environment.
- This policy is published and communicated transparently to all stakeholders, ensuring their awareness and understanding.

The policy enters into force upon the approval of the Board of Directors.
